Sweet 3 bed/2 bath house in 28806! Offering high ceilings, lots of natural light, spacious living room and kitchen, walk-in closets, pantry, large primary suite, and fantastic outdoor space. The back deck offers mountain views and is right off of the kitchen for grilling season. The fenced backyard features a flag stone patio and fire-pit. The front yard has apple trees to enjoy. Plenty of land to expand and the property is tucked away from the main road.
